The Euro-Project Training Unit is managed by Europelago and VIU that have been collaborating for many years in promoting advanced training programs on grant-seeking from European Union institutions. Starting from 2010 further activities have been implemented such as the euro project helpdesk, an email services which allow participants to better develop original project ideas and the Facebook page of the center in order to give a wide range of tools to permanently support our participants.

For further information on upcoming courses and application forms please visit: www.europelago.it
