Moreover, in September 2006 the first Alumni Conference was organised. The aim of the Alumni Conference is make the policies and programmes of participants' governments more sustainable - environmentally, socially and economically; a second goal is to reinforce and encourage the use of the personal relationships fostered among course alumni and project partners. Purpose of Alumni Conference is also to continue the learning and information-sharing process focusing on sustainability in practice.

Alumni Conference

A selection of 20 participants from the 1st and 2nd editions of the Course Sustainability took part in the first edition of Course for Sustainability Alumni Conference:

Module	Location	Agenda
Sept 24 - 26, 2006
