The **PC room** is located on the first floor of Zone 7 and is open to all VIU students and professors, 24 hours a day. Ask your program coordinator for an access card (a € 5 deposit is required).All PCs are connected to the Internet, and students can access online Venetian library catalogues, Duke-on-line and other online information resources.

VIU also has a highly advanced **Apple Mac Computer Lab** (first floor, Zone 7) for integrating digital technologies in the academic courses.
The 3D modeling, visualization, and mapping technologies installed enable students to engage with questions of change over time and dynamic process in urban and rural environments.
The programs available include 3D modeling using Google SketchUp, 3D acquisition using Photogrammetry, interactive mapping with Google Earth, Scalar, and the basics of ARCgis related to Google Earth.
