VIU strives to promote excellence and diversity in the Globalization Program and to provide a powerful learning experience in which students develop their capacity for critical thinking and creative problem solving.

Each semester scholarships are awarded to talented, motivated students from the member universities in order to support them in completing their study period in Venice, or to foster their graduate and professional studies and careers in new and emerging fields: since its foundation in 1995, VIU has increasingly worked to promote the research triangle of stakeholders – industry, academia and government – and collaborations with universities, cultural organizations and companies.

VIU publishes yearly four calls for applications for the Internship and Mobility Program and two calls for the Scholarship Program supporting accommodation fees. Approximately 20 students per semester are selected for the internship program, depending on the amount of funds available for scholarships.

Scholarships to support Residency of Globalization Program students:

The aim of the scholarship program is to promote excellence and academic and cultural diversity in the

The deadline for students who will attend the Fall 2017 term is: June 5, 2017
Applications for the Spring 2018 semester will be accepted and awarded on a rolling basis October 30, 2017

The extended VIU Community is encouraged to contribute to the **VIU Scholarship Fund**:
it is really important that students apply for the program without the concern of the financial burden of sustaining the living costs in their host city.
VIU is a registered non-profit association, and therefore donations to VIU are eligible for tax

reductions or deductions in many countries.
For more information about donations: alumni@univiu.org
