In corridor 7, on the ground floor you will find the VIU Music Room (room **7D**) where you can find an upright piano, a digital piano, an electric guitar and music stands for those students and professors of VIU who may wish to practice their instruments or play some music during their stay at VIU.

We kindly ask you to respect your fellow students and researchers and not to play during working hours (i.e. from 9.00 a.m. to 5.30 p.m.), unless you use headphones with the digital piano or electric guitar.

You can collect the key to the room from the VIU Front Office (room **2A**) where you will be asked to sign the booking sheet.

Everyone who uses the music room is responsible for keeping the instruments in good condition.
